

April 20, 2010

A warm welcome to all participants !

I am very thrilled to welcome for the second time in our history, the Historic Grand Prix organisation, especially since the Formula One Grand Prix du Canada is making its very own historic return in 2010 after a one-year absence in Montreal.

The week-end of June 11-12 and 13th promises to be a magical one at the Gilles-Villeneuve circuit and your presence will undoubtedly be a spectacular one as our passionate and loyal fans are most enthusiastic and have been raving to see you back since 2004.

On behalf of Octane Racing Group and the 300,000+ spectators from all over the world, I salute the Historic Grand Prix drivers and their teams and wish them a very warm welcome!

François Dumontier
President
