NEWSLETTER

2013 Schedule

We are in dialog with Octane Management towards securing a support race slot at the **Grand Prix du Canada, 7-9 June**. A final decision should be announced by early March. As usual, there will be a block of hotel rooms in downtown Montreal available to participants and teams.

As well, we are in negotiations with FOM/Allsport for an encore appearance at the **USGP, Circuit of The Americas in Austin, 15-17 November**. With the excellent performance you and your teams delivered at the inaugural USGP, HGP garnered substantial favorable press and a very positive reaction from the organizers and fans.

At both of these events, there will be a separate class and awards for Pre-74 cars.

We urge you to keep both these dates reserved as “provisional” events on your calendar.

Confirmed dates:

- **Mont-Tremblant, Quebec**
Le Sommet des Legends, **12-14 July**
This is an HMSA managed event.
www.legendsofmotorsports.com
- **Road America, Elkhart Lake, WI**
The Hawk with Brian Redman, **19-21 July**
Test Day is No Charge courtesy of Road America

2014 Schedule

Octane Management has confirmed that HGP will be the featured support race at the Grand Prix du Canada next year.

Annual Dues

Some years ago, they were reduced to reflect the economic times. With the major venues where we are now participating, it is necessary to more than return them to their former level to reflect the realities of the cost of operating the organization, particularly given what is required at these major venues.

Beginning this year the dues will be \$1,500 per year.

The Annual Membership form is attached. Please send to Rebecca Evans, HGP, Inc., 4 Finch Road, North Salem, NY 10560 by **1st April. *Thank you.***

Vintage F1 Racing News from Europe

As you will read in the attached article from the latest edition of Motor Sport, there are developments across the pond affecting vintage F1, including that the FIA Historic Formula One series organized by TGP, Ltd, will be shutting down its operation this season.

This week, Masters has announced it has taken over the FIA F1 moniker and their series will now be known as the FIA Masters Historic Formula One Championship. See their website for more information.

Thank you for your patience in awaiting the final schedule for this season and especially for your continued support of and participation with your organization.
