The Driving Code: *The theater of the race meeting, and in particular that of the racing, is of paramount importance. Without a happy spectator, the event fundamentally fails, and your compliance with certain conditions is therefore crucial. Firstly, because the cars we are driving do not enjoy the benefits of modern design and construction techniques, driving safely and courteously is critical. We take a very strict view on driving styles. It is also crucial that you do not race off into the distance if you find yourself able to do. Drivers are required to 'play the game' and help insure a decent challenge for the lead, or position. Drivers who do achieve, maintain and/or improve on a substantial lead will not be invited to take part in subsequent events. Please appreciate that we do not expect competitors to compromise their position if in the lead, but equally we won't entertain unnecessary heroics.*
